SPECIAL ACKNOWLEDGMENT!

On May 28, 1933, Mr. N. A. Miller, Wholesale Dahlia Specialist of 458 East 66th Street, Portland, Oregon, sent us by Express, 500 dahlia roots, 20 choice varieties, free, for distribution among outside dahlia growers, the blooms of which to be used in connection with our Flower Show. We were very thankful for the same, but unfortunately the blooms by reason of late shipment were not available for our September indoor show. However, this large donation of roots, all of which were received in pink of condition, is responsible to a very large extent for the dahlia enthusiasm in and around Chicago.

TO MY CUSTOMERS & FLORAL FRIENDS:—

In presenting my 1934 Price List I wish to sincerely thank my many customers for past favors and for their kind recommendations to friends about my Dahlias, Gladioli, Delphiniums, etc. and I am glad to offer you again these Choice Dahlias, etc. at real money saving prices.

To meet an ever increasing demand, I grew the largest crop of Dahlias this past season, that I have grown for several years and harvested an exceptionally fine crop of roots.

Although I have a large stock of most kinds offered, especially of the better standard varieties, there are a few kinds of which I have only a limited supply. Therefore, to insure against disappointment, I would suggest that you order early, soon after you receive this list. By ordering now, you make sure of getting what you want of the choicest newer varieties, that are limited in quantity, you also get the cream of the crop of the standard kinds.

I never substitute unless requested. However, in case I should be sold out of any kinds ordered; if you will name a second choice or allow me to substitute, I will assure you, I will make a satisfactory selection for you.

Yours very truly,

N. A. MILLER
